A pair of comfortable cool shoes is necessary for everyone, although naot shoes are not so charming like high heels, there are also some new fashionable designs of high heel shoes like those in our shop, can actually make you look much cuter The soles of nude shoes are made of high quality rubbers, which are soft and durable, and the vamp of orthopedic shoes are breathing to avoid sweaty foot Love those womens sandals ? Beautiful belt bag and passable I have 2 authentic cc bags and this belt bag is pretty good! Belt is a good length and the screws are right not the four ways screws on some of the bad reps The dust bag is garbage, but who cares! Comes with date code inside and authenticity card Great find! Bag is not leather, but it is soft and feels good! Definitely recommend

Great bag. Came with dust bag and additional hand strap. Logos in all the right places. The chain isn't smooth when adjusting. Little threads sticking out in places but can easily be trimmed.
