A small standard shipping to US \$27. Ship from HK.

Message...

Most of our clients in US are from CA/FL/NY 🍷

Processing time around 1-3 days if the items are in stock. Once the package reaches international shipping station, it takes 4-15 days to deliver depending on shipping company and local coronavirus situation.

To place the order, please provide Paypal email and we will send official invoice and complete the payment on PayPal.

After confirming the name, address and phone we will process the order right away. You can require pictures before shipping to double confirm the items. You will receive tracking as soon as it's available.

A close-up photograph of a Chanel quilted bag. The bag is small and cylindrical, featuring a quilted pattern in shades of blue, green, and yellow. A large, gold-toned interlocking CC logo is prominently displayed on the front. The bag has a gold-toned metal top handle and a matching chain strap with a tassel. A white ribbon with the word 'CHANEL' is tied around the handle. The bag is resting on a white surface, and a red box is visible in the bottom left corner. The word 'CHANEL' is printed on the white surface below the bag.
